[REDACTED] Committal Phase - Amend, withdraw and/or add charges/particulars.

**ERF Id:** 15100157  
**Date Decision Required:** 24/08/2015  
**Title:** Causevic, Harun [REDACTED]  
**Category:** Committal Phase - Amend, withdraw and/or add charges/particulars  
**Reason:** Matter is listed for committal mention on 24/8/15 and the accused is in custody

**Decision/Recommendation:** [REDACTED] there is insufficient evidence to meet the PPC test of reasonable prospects of conviction of Causevic for the offence of conspiring to do an act in preparation for a terrorist act contrary to ss 11.5 and 101.6 of the Criminal Code. We therefore have no alternative but to discontinue this charge when it is before court again tomorrow.
