**Decision/Recommendation**

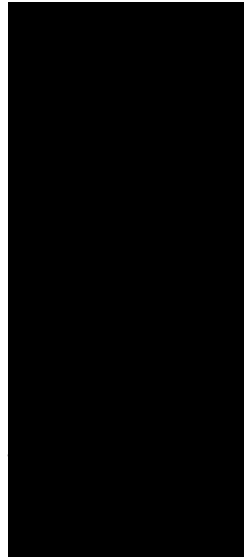

there  
is insufficient  
evidence to meet  
the PPC test of  
reasonable  
prospects of  
conviction of  
Causevic for the  
offence of  
conspiring to do  
an act in  
preparation for a  
terrorist act  
contrary to ss 11.5  
and 101.6 of the  
Criminal Code. We  
therefore have no  
alternative but to  
discontinue this  
charge when it is  
before court again  
tomorrow.
